## Case Study

# ProcessVenue Optimizing Cruise Booking Support for a Seamless Customer Experience

[www.processvenue.com](http://www.processvenue.com)

# Client Overview

U.S.-based travel company focusing exclusively on cruise vacations across ocean and river itineraries.

Serves families, couples, and groups with end-to-end planning—cabin selection, shore excursions, insurance, and loyalty perks.

Combines curated packages with real-time pricing and availability to simplify complex cruise choices.

Priorities include personalised service, seamless booking experiences, high satisfaction, and strong repeat business.

# Objective

A U.S.-based travel company specializing in cruise vacations faced challenges managing a growing volume of customer inquiries for cruise bookings.

They needed a dedicated support team for bidding for cruise reservations while ensuring a smooth customer experience. To meet this demand, they required 24/7 multichannel support with standardized SOPs.

They also needed robust QA and KPI reporting (AHT, FCR, CSAT).

# Solution

- **Dedicated Support Team:** Trained agents managed bidding on cruise requests
- **24/7 Availability:** Ensured round-the-clock assistance for reservations and changes.
- **Efficient Bidding System:** Streamlined processes to reduce errors and speed up confirmations.
